A hearing was held on November 13, 2019. Counsel for the claimant/objector explained that the claimant has passed away. The personal representative of the estate lives in Seattle, Washington. The personal representative has been working on this water claim with counsel. However, the personal representative is still in the process of communicating with the heirs. The Estate of Sarah Johnston now needs to communicate with IDWR to complete this subcase. The Court will therefore set a **mandatory settlement conference** to be held prior to December 18, 2019. The claimant/objector must also have settlement authority when participating in the mandatory settlement conference.
