 Should not be recommended.

This general provision was not recommended but should be recommended as described below.

Should be: _____

General provision was recommended but should be modified as described below.

Should be: _____

11. I object because the recommendation contains an accomplished transfer under Idaho Code § 42-1425 resulting in injury to my water right(s) and/or enlargement of the original right.
12. I object because:
- This water right should not exist.
 - This water right was not recommended, but should be recommended with the elements described above.

E. REASONS SUPPORTING OBJECTION(S): _____

The Idaho Department of Lands objects because the claimed right impacts State Endowment lands. Water rights on State Endowment lands are held by and for the State of Idaho. IDL objects to any claim that may impair State ownership interests or be construed as creating rights, interests, or encumbrances on State Endowment lands beyond those expressly authorized by law.
